

February 22, 2019

Dear Chapter Chairs and OSAF Executive Committee members,

The Marys Peak Chapter is excited to welcome you to Lebanon this year for the Annual Oregon SAF meeting! During our time together, we will have the opportunity to have fun while raising money for a good cause. We will again be hosting the silent auction and raffle events. Money raised will be split between the National Foresters' Fund and Oregon Special Projects Fund.

We are soliciting items from all of the State Chapters and individual members. These can be items that represent your area or overnight stays at a place of interest. Donated items will be sold at the silent auction or in the raffle, so a wide variety of both large and small value items are welcomed. If you are short on ideas, bring something that you would want to win. Be creative!

Handcrafted items such as woodworking, art, homemade wine, candy, jams, etc, are especially valued. These items will be labeled with the craftsperson and the option to include a business card. Think widely to those who may donate the items; it could be a member, spouse, retiree, or a friend. The auction also serves as a chance to appreciate the artists among us!

To help me prepare, please reply by April 12 through email, text, or letter (contact info below) if you are able to send items. I would greatly appreciate your help soliciting items from individuals and companies in your membership and area. Plan to bring the items with you to the conference or arrange for their transport with a fellow member. If needed, you can also ship any items to the below address ahead of the conference.

If you have any questions, I am happy to answer them via any of the communication means below. Thanks in advance for your help. Looking forward to seeing you April 17-19!

Best,

Shavonne Sargent
